## SPISTAR

*Casings, Flat rolls and  
Flat sheets*

**SPISTAR** is the original SPICE TRANSFER technology with more than 30 years' experience by OCI.

Providing best appearance, good flavor, food safety, production efficiency and environmental friendly.

During the cooking process, the spice is transferred from the base film to the surface of product completely.

## PNP CASING

*High-barrier casing with Spice coating*

**Application:** For cooked ham, sausage, poultry, fish and processed cheese

**Advantage:** Easy to handle and work with high productivity
